

Noel! God becomes a little child!

Noel! God becomes one of us!

Glory to God from the highest heaven!

Peace on earth!

To all who received him, to all who believe in his name,
He gave power to become children of God. Jn 1: 12

As we journey towards the **225th anniversary** of the Congregation, let us welcome Emmanuel so as to make him better known by our entire life. During this **Year of Grace**, may we fully open wide our hearts to receive the Child of Bethlehem and walk together towards holiness. So that the **Year of the Rule of Life** may produce all of its fruits, let us be sowers of :

PEACE

LIGHT

JOY

HOPE

Merry Christmas!
Happy and Blessed Year 2019!
